Publishes in condensed but comprehensive form news from all parts of the world, and daily lays before its readers an epitome of whatever is going on around them.

THE GAZETTE enjoys unsurpassed facilities for procuring ALL THE NEWS, and that, too, often twelve hours carlier than the morning papers, its telegraphic columns being kept open till late each evening in order to receive the very latest dispatches, so that whatever may occur, whether in this or other lands, is almost sure to find its way into its columns the same day.

Its correspondence is newsy and accurate, and its miscellaneous department is conducted with an eye to the enlightenment and pleasure of its readers, and no pains are spared to make it attractive in every feature.

Its commercial columns are edited with care and precision, so that the merchant and the farm er can always rely upon its market reports.

As an advertising medium it has few, if any superiors in all this section of country, having an extensive circulation, not only throughout Virginia, but in nearly all the States and Territories
